## **Faus Licenses Embossed-In Register to ChinaFloors**

Faus Group, said today that it had granted to ChinaFloors Timbers (Shanghai) Co. Ltd. a patent license on the Embossed-In-Register® and JointGuard® / bevel edge technologies.

ChinaFloors has become a part of a growing number of licensees of the Faus patents and the first Chinese company to do so.

Faus intends to continue enforcing its patents against unlicensed users worldwide.

Faus Group, Inc. is a global leader in design and technology innovation. Faus manufactures products designed to meet consumer demands for laminate flooring and moldings of the highest level. Always a step ahead, Faus brings advanced expertise to the laminate floor industry by offering patented products and features that take laminate flooring to the next level.
